

COLOR SPLASH™ DEMO DISPLAY

Boost Your Color Splash
Sales with this Interactive
Countertop Display

THE COLOR SPLASH™ COUNTER TOP DISPLAY is the perfect way to increase your sales and turn a higher profit- all in less time, with less effort. Designed to sit atop your sales counter, the unit plugs into any standard electrical outlet and displays each of Color Splash's 7 solid colors, multiple color blends and five light shows.

CUSTOMERS EXPERIENCE FIRST-HAND the spectacular lighting of Color Splash. They can see for themselves exactly how the Color Splash in-ground pool and spa LED lights operate, and how easily they install into your customer's existing lighting fixtures- just screw it in and turn it on. Each display is equipped with a switch that allows your customers to interact with the display directly and change lighting modes. Easy-to-follow instructions will guide your customers through the functions and features of the Color Splash In-Ground Pool and Spa Lights..

MAKE FASTER, EASIER SALES with less need for explanation and less time spent convincing the customer of the amazing value. This interactive display allows customers to experience the power and value for themselves. It's easy to boost your sales & capture a bigger share of the market with this dynamic countertop display.

FEATURES & BENEFITS:

- **Fully Interactive.** Customers can see & experience the lighting on their own.
- **Light Included.** Display comes with one Color Splash in-ground spa light (110v).
- **High Visual Impact.** Dynamic and colorful lighting demo draws customer attention.
- **Easier & Faster Sales.** Covers essential product details to better leverage your sales staff's time.
- **Space-Saving Design.** Display occupies little space, leaving more working room at your counter area.
- **Helps to Add Color & Visual Interest to Your Store.** The multi-colored lighting will bring additional visual appeal to your store.
