

IN-POOL SUBMERSIBLE DEMO UNIT

- **In-Pool Demonstration**
- **Counter Display**
- **Portable**

Simply drop J&J's SDU in your customer's pool and watch as it transforms your customer's pool right before their eyes! Equipped with a 30' GFCI cord, the SDU is a perfect dual-purpose unit for demonstrations and merchandising.

Designed to sit on your showroom counter, the Submersible Demo Unit (SDU) will provide your customers a firsthand Color Splash experience!

**Designed for live
pool demonstrations.**
